

# **USC FACULTY IN RESIDENCE INFORMATION SESSION**

2025-2029 ACADEMIC YEARS

# MISSION & GOALS

The Office for Residential Education fosters the holistic development of members within the USC residential community. We are committed to providing purposefully inclusive communities that create opportunities for personal and academic success in collaboration with members of the Trojan Family.

## Goals:

- Self-Awareness
- Community Engagement
- Equity & Inclusion
- Well-Being

# RESIDENTIAL EXPERIENCE MODEL

**we achieve our divisional goals through our residential engagement strategy**

## 1 support

the individual student and student communities through the development of environments, services, and policies that reinforce shared strengths.

## 2 educate

students to discover a deeper understanding of themselves and become change agents in the world.

## 3 engage

students in transformative experiences to challenge their perspectives and become global citizens.

**1 Residential Experience**  
through the engagement model

**2 24/7 Care & Crisis Response**  
through ER, duty, and  
collaborations

**3 Residential Expectations &  
Community Standards**  
through conduct & interactions

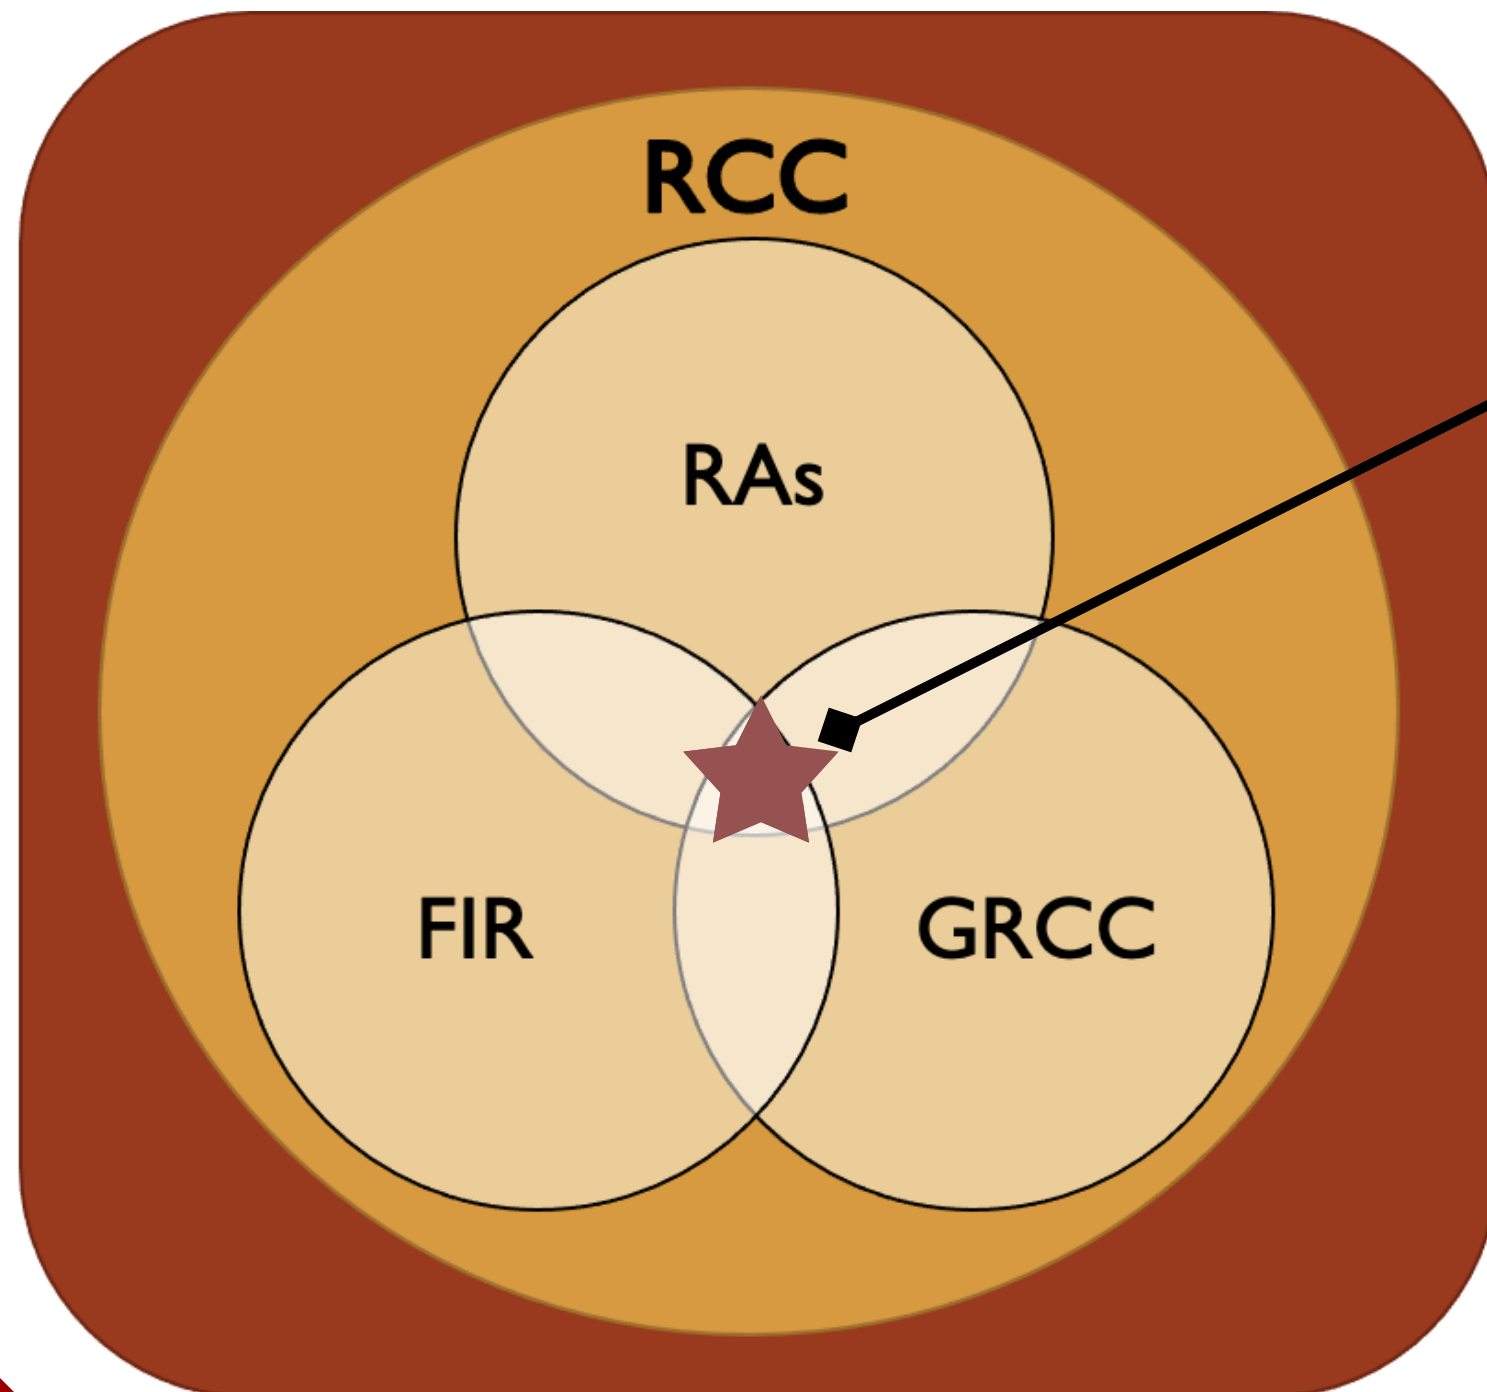

# FOUNDATION

for each residential college/community

# RESIDENTIAL COLLEGE/COMMUNITY FOCUS

RCC is responsible for the oversight of entire community

**Residents** are the core purpose to everything we do. Each team creates the Residential Experience within their community.

**RAs:** intentional engagement & support

**GRCC:** community council & advocacy

**FIR:** academic connection & mentorship

# EXPECTATIONS OF A FIR

- Serve as a role model and mentor
- Plan and implement 3 events per semester, in addition to FIR Receptions and weekly dinners
- Spend approximately 6- 8 hours per week engaged in residential community activity
- Participate in staff training and orientation
