ASSOCIATE DIRECTOR
FOR RESIDENTIAL OPERATIONS

Position Description

The Residential Education staff at the University of Southern California provides housing and support services for 9,500+ students living within USC Housing. The Associate Director position is a full-time, professional staff member who plays an integral role in creating a residential life program that encourages student and community engagement and development of a supportive living and learning environment. The Associate Directors play a significant role in furthering the mission of the University of Southern California, the strategic initiatives of the Division of Student Affairs and the mission, vision, and core values of the Office for Residential Education. This position performs a variety of important daily operation tasks including supervision of professional staff, implementing Residential Education strategic initiatives, adjudicating residential and campus judicial cases, managing budgets, serving as a liaison to housing, providing general oversight for Residential Education committees, and serving on divisional committees or task forces.

Under the supervision of the Senior Director for Residential Education, the Associate Director for Residential Operations is responsible for the direct supervision, training, and evaluation of 3 Assistant Directors (ADs) and the indirect supervision, training, and evaluation of the Area ADs, the Residential Community/College Coordinators (RCCs), Graduate Residential College/Community Coordinators (GRCCs), Graduate Assistants, and Resident Assistants. In addition to the essential duties listed, the Associate Directors provide overall vision and leadership in the development of a robust academic and social environment for residents, while creating and maintaining a high level of safety, security, and well-being for all residents.

Essential Duties and Responsibilities include the following:
1. Oversee five major areas of residential operations including
   a) Residential Expectations & Community Standards (residential conduct)
   b) Care, Crisis, & Mental Health
   c) Selection & Training
   d) Assessment Initiatives
   e) Emergency Response & Duty System
2. Supervise, train, and evaluate 3 Assistant Directors (ADs)
3. Indirectly supervise, train, and evaluate the Area ADs, RCCs, GRCCs, graduate assistants and Resident Assistants.
4. Manage, track, and coordinate the reconciliation of the Assistant Director's budgets, totaling approximately $1m+
5. Participate in a 24/7 on-call duty and emergency response system for the entire USC population of 44,000+ students
6. Serve as an appeals and judicial hearing officer within the Residential Review process and campus conduct process
7. Provide vision and oversight for Residential Education committees
8. Maintain individual meetings with Assistant Directors in your areas
9. Provide advice, support, assistance and referrals to all Residential Education staff as well as residents
10. Provide resources and support for the Residential Education programs, services, and support systems
11. Serve on divisional committees or task forces
12. Assist with the future planning and maintenance of residence halls in cooperation with USC Housing
13. Maintain a weekly work schedule with periodic weekend and night commitments
14. Other duties as assigned by the Senior Director for Residential Education

Qualifications:
The requirements listed below are representative of the knowledge, skills, and/or abilities required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- **Education:** Master’s Degree in college Student Personnel, Higher Education/Student Affairs or Human Services field is required.
- **Work Experience:** An ideal candidate will have at least six years of post-Master work experience within residence life as well as someone who has demonstrated leadership ability and ability to work effectively with staff and students.
- **Supervision Experience:** Requires a minimum of six years of supervisory experience
- **Language Ability:** Ability to read, analyze, and interpret general business periodicals, professional journals, technical procedures, or governmental regulations. Ability to write reports, business correspondence, and procedure manuals. Ability to effectively present information and respond to questions from students, faculty, staff, and the general public
- **Reasoning Ability:** Ability to solve practical problems and deal with a variety of concrete variables in situations where only limited standardization exists. Ability to interpret a variety of instructions furnished in written, oral, diagram, or schedule form.
• **Computer Skills:** Advanced MS Word processing, MS Excel or Spreadsheets, MS PowerPoint and MS Access or Database Software. Adept user of Internet, e-mail and other office automation systems.

**Compensation:**
Salary based on experience (12-month, career live-in position). Furnished 2-bedroom apartment and full university benefits. Partial meal package and professional development funds are available annually.
